

Mr McGarvey Charity Walk

On the 21st July Mr McGarvey starts his 7-8 week challenge of walking from Lands End to John O'Groats! He is doing this to raise money for Alzheimer's Research. He has created a blog which has the route he is planning on take. This can be reached at the following link: mcgarveysadventures.wordpress.com. This will be updated as often as he can during the walk to keep everyone informed of his progress. If anyone wishes to join for a section of the walk please get in touch via email (richard.mcgarvey@allsaints-sch.co.uk). Thank you to everyone who has sponsored. Currently total raised is at £1500, and getting closer to the £2000 target. If anyone is still interested in donating, money can be given via Parentpay or the following link. <https://www.justgiving.com/fundraising/richard-mcgarvey>

Parent Survey - thank you

Thank you so much to those of you that took the time to complete our annual survey. Your feedback is much appreciated and helps us to evaluate school performance and plan ways to continue to improve. We had 101 returns which is really helpful. Winner of the prize draw and the £25 Tesco Voucher for taking part in the survey is parent of Mason Winters in Reception- well done!

100% Attendance Rewards Day

Well done to the children that achieved 100% attendance for the Summer Term. There are 187 children taking part in our 100% rewards day this term. I am sure it will be a lovely day and a chance for us to thank them for their effort and commitment.

Awards Ceremony

It was lovely to be able to present awards and give recognition to the children that had made outstanding progress over the school year in areas like reading, writing, maths, outdoor learning and handwriting. We also presented the 100% attendance badges and recognised those children that had progressed furthest with their dot cards. Well done to all of the children and thank you parents and families for your support and positive feedback about the event.

Charity Support

A special mention to Levi Porter in year 6 who has taken part in a head shave event to raise money for Cancer Research UK. Levi set out to raise £250 in sponsorship and smashed it! So far he has raised £1400. Well done Levi!! If you wish to donate, please follow the link:

Year 6 Leavers

We are really thrilled with the attitude and performance of our year 6 pupils. They have had a successful year and worked so hard to do well in their SATs too. They also treated us to their fantastic leavers show- an outstanding performance of Aladdin! We will publish our schools data on the school website as usual and this will include SATs results.

Events Calendar 2018 - 2019

We have had feedback that some families would like more notice when events are happening in school. As usual, we always publish diary dates for the new academic year on the school website before the start of the academic year for the whole year. You will find this diary on the parent page of the website in the drop down menu. We also put diary date reminders on each monthly newsletter for the following month. We always plan to stick to this calendar and only change events very occasionally due to unforeseen circumstances e.g. adverse weather. The calendar of events for academic year 2018-2019 will therefore be available on the website by September.
